SAFEGUARD
COMPANY
PROFILE

Safeguard is a respected Quality, Health, Safety and Environment (QHSE) total solutions provider and management consultant in Africa since 1999. Our specialty is QHSE training, resources, management, studies, development and equipment supply. We are the leading global learning partner of the UK National Examination Board in Occupational Safety and Health (NEBOSH). We offer a total of 17 NEBOSH courses making us the largest NEBOSH Learning Partner and qualifications provider in Africa, Asia and the Middle East. Safeguard is also among the top 10 NEBOSH Learning Partner globally, with over 85% pass rate in examinations. We also offer, the UK CQI-IRCA Approved, Lead Auditor courses and company certifications in 7 standards in partnership with TVE Certifications.

As an international training partner and facilitator, we provide internationally recognized QHSE training solutions and training support services. Our instructors are top indigenous and expatriate professionals who have spent large number of years in industry and are therefore able to temper academic theory with practical experience. With our multi-media training laboratory and our training facilities, we are ever ready to offer you training programs of the highest possible standards and which meet internationally recognized level of performance. As a leading QHSE company in Africa, we provide up-to-date and accurate information, and a well-tailored guidance on QHSE issues, and our services help organizations to identify hazards, manage risk, prevent

loss, reduce cost, increase productivity and improve reputation. Our training also meets the minimum standards and requirements for joining many QHSE professional bodies. Please contact us now to discuss and resolve your organization's QHSE challenges.
